

INVITATION TO
BHA's **SECOND ANNUAL TRIVIA QUIZ**
AND FAREWELL TO FORMER BOARD MEMBERS

The Austrian writer Marie von Ebner-Eschenbach once said, "You have to know something to be able to hide the fact that you know nothing.". However, this is not the motto of the second Annual *BHA* Trivia Quiz, to which we would like to invite you. The "annual" is probably a little optimistic, but we will try to entertain you, amuse you - and challenge you once again.

Most of the trivia will be about history, but some will be about other things in science and life. We will not be asking about key historical figures or dates. But we will have some interesting facts for you from all over the world and from all times.

You are not alone. You can form teams of up to five people, but you can also take on the challenge alone if you dare. Teams can be made up spontaneously on the evening. And of course, you can bring along guests to convince them that *BHA* is the perfect mix of fun and knowledge. In the end, the winning team gets a cup. Literally. Because we have *BHA* mugs for everyone in the team that wins our trivia quiz.

We shall also be saying farewell and thank you to two former Board members: Barbara Greenham and Chris Melzer (the latter is our Quizmaster). After the quiz there will be a reception of drinks and nibbles to which everyone is invited.
