ASSOCIATION

Whatever brought you to
Berlin, this is a place to feel
at home in its history.

Who We Are

The Berlin Historical Association brings together English-speaking Berliners — expats, long-timers, and curious locals — to explore the city's history together.

We run regular tours, invite speakers on fascinating topics, and hold social events, all in English.

Check our Instagram and Facebook for what's coming up, because guests are welcome at all our events.

With memberships starting at €35 a year, and with more than 120 members, we hope you'll join us.

Our Programme

Monthly Walking Tours

We organise **regular guided tours** to locations of historical significance in and around Berlin. These tours, especially if further afield, mostly take place on weekends.

Recent visits have included the Marienkirche, Jagdschloss Grunewald, and exclusive tours of Cold War intelligence sites in Berlin and Brandenburg.

Evening Lectures

Enjoy evening talks by visiting **experts, historians, and researchers**. We frequently collaborate with the Allied Museum and other institutions to bring you high-quality scholarship about Berlin.

Trips Outside Berlin

We arrange occasional trips to explore history outside the city limits. These excursions offer a chance to **discover palaces, museums, and hidden landmarks** in the surrounding regions. Recent excursions include Magdeburg and Königs Wusterhausen.

Social Highlights

Beyond history, we are a community. A centrepiece of our social calendar is the Annual **Christmas Dinner held every December** — a festive tradition for members to celebrate the year together. We also host trivia quizzes and other gatherings to keep the spirit lively.

Annual Membership

Joining BHA is simple and affordable. Our membership year runs from January to December, with a 50% fee reduction for anyone joining after July 1st.

- Single: €35.00
- Family: €50.00
- Student: €20.00
- Associate: €23.00
(for those living outside Berlin)

Note: A one-time joining fee of €10.00 applies to new memberships.

Our History

There's history within our history, too.

The BHA grew out of the Berlin Branch of the American Historical Association — a direct legacy of the city's postwar division among the Allied powers.

Today, our membership reflects modern Berlin in all its international variety, but every year we still hold our Christmas dinner in the original US Officers' Club.

Curiosity

We value learning, questioning, and exploring the past with open minds.

Belonging

Whatever brought you to Berlin, this is a place to feel at home in its history.

Adventure

We seek out unique opportunities, ask unexpected questions, and keep the experience fresh.
